

6th Scientific Congress for Aligner Orthodontics

Dear Colleagues,

We tried ever so hard to make to make the 6th Scientific Congress for Aligner Orthodontics happen. But the present situation does in no way permit it. That is why, the Board of the DGAO Society had to cancel this year's congress. However, as other organizers also do, we consider what alternatives could be initiated.

The date of a likely Online Live Stream Congress will be announced as early as possible. So please come back to our website and check regularly.

Best wishes

A handwritten signature in black ink, reading "Rainer-Reginald Miethke". The signature is written in a cursive style with a large initial 'R' and 'M'.

Prof. em. Dr. Rainer-Reginald Miethke

President of the DGAO e.V.
